

SPILLCON

20 – 24 May 2019
Perth, Australia

SPEAKER

Ahmad Nazri Bin Abdul Ghaffar

Nazri holds a mechanical engineering degree and has been working in the oil and gas industry for the last fifteen years.

He has held positions in operational support and logistics functions with various companies from offshore vessel owners to subsea construction and drilling and exploration.

He joined Oil Spill Response Ltd as a spill response specialist and has responded to spills and participated in spill response exercises with major oil companies.

Nazri is currently the SWIS Base Manager in Singapore and is responsible for managing one of the four capping stacks currently held by Oil Spill Response Ltd on behalf of the industry.
