

# **SPILLCON**

20 – 24 May 2019  
Perth, Australia

## **SPEAKER**

### **Shasha Song**

Shasha Song has worked as a senior engineer and technical supervisor on oil spill preparedness and response in CNOOC EnerTech-Safety & Environmental Protection Co. since 2011. She has undertaken several national projects and CNOOC projects of oil spill response technology research, focus on the oil spill monitoring & surveillance, the impacts assessment, etc. As one of the main CNOOC participants of GI China Program (supported by China MSA, IMO and IPIECA), she has devoted herself to the organization of International Oil Spill Response Seminar in China and the Training Course for oil spill response.
